FINANCE SOLUTIONS MADE SIMPLE

We are proud to offer our customers a finance provision through Bluestar Leasing, an independent finance company.

Established in 2007, Bluestar Leasing part of the Manx Financial Group PLC, has supported the growth of thousands of UK businesses nationwide, enabling them to access the equipment they need to take their business forward.

Critical Power Supplies partnership with Bluestar Leasing ensures that our customers can commit to our products and solutions quickly and on competitive terms that best suits budgets and cash flow.

Who Are Critical Power Supplies?

We are the UK's leading independent, power protection installer, with over 30 years of experience in implementing power protection solutions. A fast-growing, innovative company at the forefront of power and energy solution provision in the UK. We understand that whilst no two businesses are the same, a reliable power supply is vital for everyone, and we are dedicated to making that a reality. We are a multi-brand supplier and operate across a diverse range of clients and industry sectors.

Still, even more crucially, we understand the vital need for sustainable uptime and power continuity in today's business environments. Whether a processing system in a financial institution, critical hospital environment, data center infrastructure or manufacturing line; we have the experience, services and products necessary to ensure their power continuity – no matter what.

Why finance through Bluestar Leasing?

- Fixed costs - your monthly payments are fixed for the period of the agreement, allowing you to budget with confidence
- Preserve cash flow - invest in the equipment your business needs today and spread the cost with affordable monthly payments over 2 to 5 years
- Total solution finance - finance the equipment and pre-delivered services
- Alternative finance - our finance agreements enable you to keep your existing credit lines opens such as banks loans and overdraft for other needs

Finance Example:

Lease & Hire Purchase available

Equipment Cost:	£40,000.00
60 monthly payments:	£880.00

Total payable
£52,740.00
